Floral Essentials

STYLISH. AFFORDABLE. FUNCTIONAL.

Every floral artist needs tools that work beautifully while elevating every stem and design. That's why we're excited to introduce our newest Floral Essentials, a curated collection of everyday vessels designed with florists in mind. With industry-standard heights, wide openings, and versatile styles for any occasion, these pieces are made to support your creativity and streamline your workflow. Easily shop Floral Essentials online by category, price, or material to find exactly what you need, when you need it.
