- Ready-to-use spray. No mixing required.
- Spray dries to clear finish without any residue.
- Safe to use with evergreen greens, trees, wreaths, garlands or leatherleaf ferns.
- Aids holding moisture in, resulting in less needle dropping.
- Reduces dehydration, browning and wilting.
- Provides optimal longevity.
- Maintains colour vibrancy of evergreens.

Designer Garlands - Perfect for your next wedding or special event!

Follow our 3 easy steps:

1. How many feet will you need? Our garlands start at 8' lengths.
2. Choose from our list of Bestselling and Signature garlands or make a custom garland request.
3. Contact your Sales Representative to place your order... *Important* orders need to be placed at least **14 days** from your requested date of pickup or delivery.

Sit back and relax as your garland is handmade one leaf at a time.

How is your garland made?

Our garland is handmade here at Hofland. Our garland making team selects and trims each and every branch to weave a masterpiece that flows from end to end onto our strong core wire.

Do you have a minimum order size?

Our minimum order size is 8'

Does your garland have loops or hooks for hanging?

We have strong wire loops on each end. These loops are about ½" to 1" wide and are extremely helpful when hanging or placing your garland. You can even add sections together if needed by wiring two loops together.

SOME PRODUCT MAY NOT BE AVAILABLE ALL YEAR ROUND

Terms and Conditions Apply:

Please note: All items returned past 48 hours of receipt are subject to a 50% restocking fee
