Follow our 3 easy steps:

1. How many feet will you need? Our garlands start at 8' lengths.
2. Choose from our list of Bestselling and Signature garlands or request a custom garland.
3. Contact your Sales Representative to place your order.
Important: orders need to be placed at least 14 days prior to the requested date of pickup or delivery.

Sit back and relax as your garland is handmade, one leaf at a time!

FAQ's:

How is your garland made?

We handmake our garlands here at Hofland. The garland making team selects and trims each branch to weave a masterpiece, that flows from end to end onto a strong core wire.

Do you have a minimum order size?

Our minimum order size is 8'.

Does your garland have loops or hooks for hanging?

We add strong wire loops on each end. These loops are approximately ½" to 1" wide and are ideal for hanging or placing your garland. Sections can be joined together by wiring two loops together.

Some product may not be available all year round
